**Re: Phase 3 Provincial re-opening**

Dear Residents, Families & Staff;

Today the province moves into Phase 3 of the provincial re-opening plan.

Although many restrictions are easing in the community all restrictions remain in place as follows at the Cove with the following new easements:

- Physical distancing and masking requirements remain in place for visitors and staff.
- Proof of vaccinations; screening at the front entrance remain in place.
- New
- Residents many have up to five (5) visitors at a time, however due to the limited space in Resident rooms you must contact Jen White at 902-539-5267, ext. 241 to arrange larger gatherings.
- Residents may now have overnight visits in the community. The Cove respectfully asks that all household members are vaccinated, not only for the safety of their loved one, but for all Residents at the facility.
- Residents are no longer required to remain in the same cohorts for group activities and can freely move around the facility.

Thank you so much for your continued support.

Sincerely,

Cheryl Deveaux RN, BScN, MHS:L, MBA
