Re: Easement of Visitor Restrictions

Hello Residents and Families;

Beginning on Monday, February 14, 2022, Residents can have any two (2) visitors at a time; they no longer need to be the same two (2) visitors, and visitors are no longer restricted to Designated Caregivers only.

All previous restrictions remain in place such as:

- Masking at all times.
- Visitors must be fully vaccinated; exceptions will be made for end-of-life visits.
- Residents are still only able to leave facility for medical appointments; or for a drive in visitor's vehicle with no stops and no contact with other people.
- Visitors who are unwell are asked not to visit.
- Visitor's hours remain 11:00 am to 7:00 pm (with end-of-life exceptions).
- Visitors will continue to be screened at the door.

On behalf of our Residents we are excited to welcome you back.

Thank you for your support.

Best,

Cheryl Deveau RN, BScN, MHS:L, MBA
