Dear Residents & Families;

As Covid 19 continues to impact our communities today Dr Strang issued the following public health directive; a strict lock down in the Halifax and surrounding areas for a period of four (4) weeks in order to break the chain of community transmission. As the new variants are shown to be more infectious we all need to strictly adhere to all public health directives, we need to make safe choices to keep each other safe & healthy.

Effective **immediately** the Cove Guest Home has restricted any visitors from the Halifax Regional Municipality as well as all of Hubbards, Milford, Lantz, Elmsdale, Enfield, South Uniacke, Ecum Secum and Trafalgar to our home.

Covid 19 remains a serious public health risk, we must continue to wear our masks in public places, wash our hands often, keep social distance of 6 feet, and keep your social circles small. If you are ill stay home and call 811 for further directions. It is also **strongly** recommended to obtain a Covid 19 vaccine when the opportunity is available for you to book an appointment.

We need to remain vigilant against this virus, our actions over the next several weeks will be imperative to help break the chain of transmission.

Stay safe and keep well

Cheryl Deveaux CEO
