Re: Covid Update

Dear Residents & Families:

Yesterday, April 27, 2021 Dr. Strang and Premier Rankin issued the following Public Health orders based on our current level of Covid-19 activity in the province.

Effective immediately;

- ▶ there will be no visitors allowed inside the Cove Guest Home except for designated caregivers.
- ▶ Designated caregivers will continue to make appointments to visit and will be screened on phone and again when you arrive at Cove.
- ▶ Designated caregivers are reminded that masking protocols are mandatory; at NO time are masks to be removed or lowered while in the Cove.
- ▶ Designated caregivers are reminded to wash their hands upon entering and leaving the Cove.

Stay home if you are unwell and call 811 for direction. Over the next 14 days we must strictly follow all Public Health directives.

Stay home as much as possible, keep you family bubbles intact. Consider going for asymptomatic testing and obtaining a vaccine when your opportunity arises.

We all need to make safe choices for each other in order to help end this pandemic.

Stay strong & Stay safe.
