August 3, 2021

Dear Residents, Staff & Families:

The Cove Guest Home remains committed to supporting the health & safety of our residents, staff and visitors.

It has been a long stressful 18 months for staff, families and especially our residents. The Cove management team sincerely appreciates your sacrifices and support during this time.

Long Term Care residents are predominately elderly and/or medically frail individuals with multiple co-morbidities which can influence the severity of Covid-19 virus. However, we are cautiously optimistic that we will reach Phase 5 of the provinces re-opening plan as we see more & more people obtaining the Covid-19 vaccine.

The following changes to routines will begin on Thursday August 5, 2021 at 11:00 am.

- ▶ Scheduled appointments to visit your loved one will no longer be required.
- ▶ You will continue to be screened for wellness at the main entrance each time you visit facility.
- ▶ Visiting hours will be 11:00 am to 7:00 pm each day. Exceptions will be made on compassionate grounds.
- ▶ The Cove reserves the right to monitor the amount of people visiting the facility at any given time.
- ▶ All visitors must log in and log out with security at main entrance. You will be asked who you are visiting. Only two (2) visitors per resident at one time.
- ▶ If you arrive at the Cove and security identifies there are already two (2) visitors with resident you will be asked to return at another time during the day.

Let's continue to work together as we move closer to Phase 5 of Nova Scotia's re-opening plan.

Best always.

Cheryl Deveaux RN, BScN, MHS:L, MBA  
CEO / Administrator
