Re: Covid-19 Restrictions

Dear Residents, Staff and Families;

The rapid rise in Covid-19 cases over the past several days has been extremely concerning, Public Health predicts it will continue to rise until at least Christmas.

Due to the current situation we have made the difficult decision to close our doors to everyone except our designated caregivers effective Monday, December 20, 2021. Resident and staff health & safety is our major focus as we try to navigate through this pandemic.

We understand this is not the news you wish to hear especially with Christmas only a few days away; we appreciate your support and patience.

Let's all pray that 2022 is much kinder.

All other restriction in the letter of December 16, located on our website remain in full force.

Take care,
